PROFESSIONAL SUMMARY

Detail-oriented Frontend Developer with 1+ year of hands-on experience building responsive, user-centric web applications using React.js, HTML5, CSS3, and JavaScript. Proven ability to convert PSD designs into pixel-perfect, cross-browser compatible, and mobile-responsive interfaces. Passionate about writing clean, reusable, and maintainable code. Seeking a Frontend Developer Internship to contribute to innovative projects and grow within a collaborative team environment.

TECHNICAL SKILLS

- **Languages:** HTML5, CSS3, JavaScript (ES6+)
- **Frameworks & Libraries:** React.js, Bootstrap
- **Tools & Version Control:** Git, GitHub, VS Code, npm, Chrome DevTools
- **Core Competencies:** Responsive Web Design, UI/UX Implementation, Cross-Browser Compatibility, Component-Based Architecture, Agile Methodologies

PROFESSIONAL EXPERIENCE

Freelance Frontend Developer

January 2025 – Present

Self-Employed | Cairo, Egypt

- Developed and launched 3+ fully responsive website templates (Coffee Template, Contact Us Template, Novi Template) from PSD designs using HTML5, CSS3, and JavaScript.
- Translated design mockups into pixel-perfect, semantic HTML/CSS layouts with a focus on UI consistency and user experience.
- Built reusable React components to streamline development and ensure code maintainability.
- Implemented responsive design principles ensuring compatibility across desktop, tablet, and mobile devices.
- Maintained cross-browser compatibility and optimized frontend performance for faster load times.
- Followed clean code practices and version control using Git to manage project iterations.

PROJECTS

- **Coffee Template:** Responsive landing page with modern UI components and interactive elements.
- **Contact Us Template:** Accessible contact form template with clean layout and form validation structure.
- **Novi Template:** Multi-page template built with a focus on usability, scalability, and design consistency.
